Dirk Kempthorne, Governor  
Toni Hardesty, Director

## **NOTICE OF SCHEDULED HEARING AND CONTINUATION OF PUBLIC COMMENT PERIOD REGARDING AN APPLICATION FOR A PERMIT TO CONSTRUCT AN AIR POLLUTION-EMITTING SOURCE**

**SUBJECT:** Proposed permit to construct an air pollution-emitting source and proposed action. Application No.P-050035: Fiberglass Systems of Kuna, fabricators of fiberglass reinforced plastic composites, are applying for a permit revision to reflect the use of three small exhaust stacks instead of the single stack currently permitted.

**PURPOSE:** The Department of Environmental Quality (Department) has scheduled a public hearing and extension of the public comment period under Docket No. 10AP-00608 concerning the air quality aspects of the project application and the proposed action.

The original "Notice of Public Comment Period Regarding an Application to Construct an Air Pollution Source," dated May 11, 2006, was mailed to interested persons on May 8, 2006 and was published in the Idaho Statesman Newspaper.

**AUTHORITY:** In compliance with Section 58.01.01.209, Rules for the Control of Air Pollution in Idaho, notice is hereby given that Fiberglass Systems, Kuna, Idaho has applied to the Department for a permit to construct an air pollution source located at Block 2, Lot 4, Swan Falls Business Park, Kuna. Notice is also given that a public hearing has been scheduled. These actions are authorized pursuant to Sections 39-105 (3)(a), 39-105 (3)(j), 39-110, 39-115(1), Idaho Code.

**PUBLIC HEARING SCHEDULE:** The public hearing is scheduled for 6:00 p.m. MDT, July 11, 2006, in the Kuna Public Library at 457 N. Locust, in Kuna, Idaho.

The meeting site will be accessible to the physically disabled. Interpreters can be provided upon five days notice for persons with hearing impairments. For arrangements, contact the undersigned at (208) 373-0234. Braille or taped transcripts can be provided after the meeting for persons with visual impairments.

**PROPOSED ACTION:** The Department has reviewed the application and completed a preliminary analysis of the information submitted by the applicant. The Department has tentatively determined that construction of the proposed permit to construct will not cause or significantly contribute to a violation of any ambient air standard and will not injure or unreasonably affect human or animal life or vegetation.

Based on this analysis, the Department proposes to issue a permit to construct to Fiberglass Systems.

**AVAILABILITY OF MATERIALS:** A package containing the information submitted by the applicant, the Department's analysis, and the proposed action is available for public review at the following locations:

DEQ State Office  
1410 N. Hilton  
Boise, Idaho

DEQ Regional Office  
1445 N. Orchard  
Boise, Idaho

Boise Public Library  
715 S Capitol  
Boise, Idaho

Kuna Public Library  
457 N. Locust  
Kuna, Idaho

**SUBMISSION OF WRITTEN COMMENTS, ASSISTANCE ON TECHNICAL QUESTIONS:** Anyone may submit written comment regarding the project and proposed action. To be most effective, comments should address air quality considerations and include support materials where available. Comments, requests, and questions regarding the public comment process should be directed to Joan Lechtenberg, Department of Environmental Quality, 1410 N. Hilton, Boise, ID 83706, joan.lechtenberg@deq.idaho.gov, or (208) 373-0234. Please reference the company name and docket number when sending comments or requesting information.

For technical assistance on questions concerning this project or the permitting process, please contact Bill Rogers at (208) 373-0502.

**All written comments and data concerning this proposal must be directed to and received by the undersigned on or before 5:00 p.m. MDT, July 12, 2006.**

DATED this 14th day of June 2006.

Joan Lechtenberg  
Air Quality Division
